2017

For 2017, the Lone Pine Committee celebrates our 47th Anniversary - 47 years of flat-out-fun! We also honor the memory of Craig & Renee Angel, who hosted and supported this event for many years. You'll get a big course that's over 2 miles long, run one way on Saturday and the other on Sunday. This course will provide a challenge for all, whether in modified, prepared, street prepared, stock or vintage. Don't be left to hear the stories from all your friends of a great weekend - Be there! LOCATION

The Manzanar Airstrip: Located 10 miles north of the city of Lone Pine at the Manzanar Reward Road sign (on the right, may be hard to see at night), go 1/4 mile east of US 395 and you're there.

ELIGIBILITY

CAR PREPARATION / CLASSIFICATION

SOLO, Club Racing, SCCA, IMSA, VINTAGE, NASA, the family sled, or whatever. We will find a class for you. 5 or more pre-registered drivers who want to run their own class may do so (commonly known as rent-a-racer). OPEN EXHAUST if your class allows it. Basic car classification will be per the 2017 SCCA National Solo rule book. Still not sure what class? - provide details on how your car is prepared on the entry form (engine, suspension, tires & wheels, etc.) and we'll find a place for you. Unsafe vehicles will be turned away. **This is not an autocross event. It is a high speed time trial.**
