- Thanks to the generous support of the FFA Boosters Club many projects have been completed. The funds from last year's event were used to finalize the purchase the Plasma Cutter and install the new electrical service to the machine.
- This years funds will help replace the covering on the Plant Production High Tunnel where the FFA Chapter will be growing over 100 fruit trees for the Manzanar National Historic Orchard.-
- The Ag Business class sells over 100 dozen eggs per month and we are expanding our poultry production to include a Chick-Inn that will hold up to 100 birds. This new 36 foot long and 26 foot wide facility will provide a safe, cage-free environment for our chickens. Once again thank you for your support, Brenda Lacey FFA Advisor & Chuck Carson Ag. Mechanics Advisor
